Risk Warning:

Trading Contracts for Difference and Foreign Exchange is highly speculative and carries a level of risk that may not be suitable for all investors. You may lose some or all of your invested capital; therefore, you should not speculate with the capital you cannot afford to lose. You should be aware of the risks associated with trading CFD's and Foreign Exchange. In addition, please take into account your current knowledge level of trading experience and seek independent advice if necessary. We kindly advise all our clients to make sure that you carefully have read all the available. Terms & Conditions and the included Risk Disclosure statement prior to undertaking any operations on our trading platform. We do reserve our rights to cancel all or a single client deal which is connected to any suspicious activity without preliminary notice.

Under no circumstances shall we have any liability to any person or entity for (a) any loss or damage in whole or part caused by, resulting from, or relating to any transactions related to CFDs or (b) any direct, indirect, special, consequential or incidental damages whatsoever. We strictly do not provide investment advice.
